*Two-Week Scout Fee (2nd Week Fee): A discount is automatically applied to a Scout's 2nd Week registration. Scouts registered for a 2nd week **after May 1** will need their fees manually adjusted by Debi (to keep them at the \$395 rate), so please email her the details.

** New Scout Fees will need to be manually adjusted by Debi if the Scout is registered online or paid-in-full between May 2 and June 1. Starting June 2, any New Scouts registered online or who still has registration fee balance (does not include MB class fees) will be charged \$495.

DETAILS FOR FEE ADJUSTMENTS – Please email all details to Debi: Camp Name (East or West), Troop number, and Scout name or names, so she knows who needs their fees reduced.

FEE ADJUSTMENTS TO **COMPLETED** REGISTRATIONS ONLY: Fees **cannot be reduced** for partially-registered Scouts. You must complete all steps of the checkout process, choosing the Mail-in/Pay Later option on the last page of it. Please do NOT pay fees online when registering a Scout who needs their fees reduced manually (by Debi) first, or your troop may have to wait until the summer camp season is over to receive a refund.

DATES TO KNOW: Your Troop's Registration Contact completes one registration for each week you will be at camp.

- **Now through December 31, 2025** – Units can only complete a Unit Commitment Registration that asks how many Scouts, Full-time Adults, and Part-time Adults will participate in summer camp.
 - Your unit will only be charged a \$100 Non-Refundable Unit Commitment Fee when you complete the registration, that can be used later for participant or campsite fees.
 - How to Complete a Unit Commitment Registration: <https://youtu.be/xxWpK4phmZs>.
 - On January 1, your “numbers” turn into “spaces” on your registration that need to have participant information entered, so only list numbers that you are confident will attend.
 - Registration Contact “tab”: Enter the number of each participant “type” you **hope** will attend, along with your campsite preferences and additional email addresses for two more adults who want to receive MSR blast emails (optional but recommended).
- **January 1 through May 31, 2026** – Registrations now require Participant Information, so please do not complete it until you have information for your **initial** registration. but there is no longer a Unit Commitment Fee for newly completed registrations.
- **May 31, 2026 (11:59 PM)** is the last date to complete a NEW registration.
- **2026 Spring** – The Merit Badge Class Schedule will be added. Troops will be notified when Scouts can begin to select their classes within the online registration through the Parent Portal – or the Registration Contact can add them – Your troop can decide how to do this.

Who is the “Registration Contact”? Each Troop chooses someone to register everyone online for your week at camp.

- This is the only person who can access your registration to make changes to it and the system will only allow one troop registration per week, so make sure your families don't try to register themselves. This person can activate the Parent Portal for class selections and family online payments.
- This person will receive a confirmation email when they **complete** the initial registration that will include an “access” link back to it so changes and additions can be made. If the initial registration is not completed correctly, they will receive a reminder notification to finish it. When they make changes to it, if they do not receive a confirmation email, they either did not complete the checkout process, or their email ended up in a Spam Folder.

CAMPSITE PREFERENCES LISTED ON REGISTRATION

- You can list up to three campsite preferences on your Registration Contact tab.
- We will do our best to accommodate your first choice, though assignments may be based on participant numbers and the needs of other Units (e.g., accessibility, confirmed registration numbers vs. site capacities).
- Priority will be given to Units returning for a consecutive year in 2026 for the same session who wish to remain in the same campsite.

CAMPSITE ASSIGNMENTS AND FEES

- Each Campsite has a \$100 fee (for each “side”: Left or Right, Upper or Lower, etc.).
- Your Unit's campsite will be confirmed and assigned your registration **by mid-May** based on the number of youth and adults you register (and pay for) by that date. Troops will receive an email from Debi with these details, and to let them know the \$100 fee was added to the “Registration Contact” area of your registration and is due (within 7 days).
- Additional campsites can be added if needed, at a cost of \$100 each, but the system will not allow us to assign a second campsite until the first one has been filled (as per the number of people you have registered online).
- If you paid the \$100 Unit Commitment Fee (by December 31), you can apply it toward the campsite fee if you haven’t already used it to pay participant fees.
