

Ma-Ka-Ja-Wan Scout Reservation 2024 Program Schedule

Daily & Weekly View

This page intentionally left blank
(save paper: print this double sided!)
(Better yet, cut the patch out on the other side for your wall!)

A Note to Leaders and Parents:

The following pages are to aid you and your unit in planning your *Scout's* summer program. Scouting aims to prepare young people to make their own *informed* decisions. Scouts should be *guided* in the planning process, we encourage you to allow them (within reason) to choose the programs that most interest *them*. Fantastic resources for input and advice are your unit's youth leaders, their Patrol Leader, Senior Patrol Leader, or other Scouts who have attended a Scout camp previously. Following the above recommendation will yield a more rewarding and meaningful summer for your Scouts.

In Scouting service,

MSR Reservation Director

How do you read the schedule?

We're glad you asked! We have two different ways to look at our program schedule, but they both revolve around this concept: most of our listed programs meet for a total of four (4) hours during the week. Badges that are in a morning A or B block meet for two hours over two days (unless you are at our Triangle M Ranch for our 12-hour horsemanship merit badge program!), and programs that meet in the afternoon will meet at that time Monday, Tuesday, Wednesday, and Thursday for a total of four (4) hours over four days.

What are programs that are listed as 'daily,' 'per hour,' or 'open?'

These are programs that are available throughout the week on a day to day basis, and that do not require any long term commitment. Want to ride a horse on Tuesday but then ride a Fat Tire bike on Wednesday? We've got you covered.

How can we pay for badges and programs that cost extra money?

Many of these will be available for payment online before you arrive to camp! When you arrive to camp, our staff will have a record of your payment. If you get to camp and want to join the class, tickets or tokens (depending on the program) are available for purchase to hand to the program staff. Why can't they just accept cash? Because only our Trading Posts and Welcome Center have the ability to accept (store and record) cash, card, and checks.

I can't fill my schedule and have free time... what do I do?

Enjoy it! It is your summer vacation, not school! Just make sure you have a buddy and stay safe as you explore our 1,560 acres. Maybe you'll make a new friend from across the lake and trade a patch that is only available at your camp's trading post (hint hint).
