The list of Available Classes is on the right. Use the Search box to look for a specific class or the Time box for classes available during a certain Hour. You can also choose to Hide Full Classes but if you don't, you can add a Scout's name to the Waitlisted Classes section on the left. Be aware, if a spot opens and we move a Scout into a class, any previously chosen classes will be removed, except for Open Classes such as Basketry.

Done

Classes move from the right side to the left (classes selected) side. Once a time slot full, other classes being offered during that time will no longer appear on the right side, except (again) for Open Classes – They can be “double-booked”. In this example, if a Scout is moved into Nature, Mammal Study will be removed but Basketry will remain.

# View All Classes

Clicking on View All Classes takes you to the Class Catalog. It lists all classes and their details: Description of the class, Days of Class, and if applicable, Max Participants and any cost or restrictions such as age, rank, etc.

### Class Catalog

	<b>MMB148 Archery</b> Archery is a fun way for Scouts to exercise minds as well as bodies, developing a steady hand, a good eye, and a disciplined mind. This merit badge can provide a thorough introduction to those who are new to the bow and arrow - but even for the experienced archer, earning the badge can help to increase the understanding and appreciation of archery. <b>Day of Class:</b> Mon, Tue, Wed, Thu <b>Max participants:</b> 24 <b>Slots available:</b> 7 <b>Room Number:</b> Shooting Sports <b>Instructor:</b> Rex Wallin <b>Additional Periods Offered:</b> Hour 4 <b>Class Notes:</b> Choose from 9:00-10:20 OR 2:00-3:20	Hour 1 (9-10:20)
	<b>MMB110 Bird Study</b> Birds are among the most fascinating creatures on Earth. Many are beautifully colored. Others are accomplished singers. Many of the most important discoveries about birds and how they live have been made by amateur birders. In pursuing this hobby, a Scout might someday make a valuable contribution to our understanding of the natural world. <b>Day of Class:</b> Mon, Tue <b>Max participants:</b> 24 <b>Slots available:</b> 22 <b>Room Number:</b> Eco Con <b>Instructor:</b> Bennett Woods	Hour 1 (9-11)
